

Representative Letter – Customer letters are brand, model and model year specific; listing the 17-digit VIN and are personalized.

IMPORTANT SAFETY RECALL

December 2014

Dear General Motors Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2011–2012 model year Chevrolet Cruze vehicles equipped with a 1.4L turbo engine and a 6-speed automatic transmission. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- This notice applies to your 2011-2012 model year Chevrolet Cruze vehicle, **VIN** _____,
- Your vehicle is involved in safety recall 12213.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

General Motors recently discovered a data system issue which may have caused some current owners of vehicles -- that were originally purchased by fleet buyers in the U.S. and Canada -- to not receive certain recall communications from GM. This issue may have prevented prior letters concerning this recall from reaching you, which is why you are receiving this letter. We have corrected our data system and apologize for any delay in providing this letter to you.

In cooperation with the National Highway Traffic Safety Administration (NHTSA) we recommend that you check your vehicle identification number periodically at the GM recall website (<https://recalls.gm.com>) or at NHTSA's website (<https://vinrcl.safercar.gov/vin/>), where you can find the most up-to-date recall information for your vehicle.

Why is your vehicle being recalled?

This engine-transmission combination in your vehicle requires supplemental vacuum under certain operating conditions. An electric vacuum pump provides the supplemental vacuum, and if this is not available due to silicon on the brake vacuum micro switch, brake assist may be intermittently reduced or lost. Reduction or loss of brake assist will require extra pedal force and/or longer distance to bring the vehicle to a stop, increasing the risk of a crash.

What will we do?

Your GM dealer will replace the brake vacuum micro switch. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your

vehicle longer than the actual service correction time of approximately 25 to 45 minutes.

If your vehicle is within the New Vehicle Limited Warranty, your dealer may provide you with shuttle service or some other form of courtesy transportation while your vehicle is at the dealership for this repair. Please refer to your Owner Manual and your dealer for details on courtesy transportation.

What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

Did you already pay for this repair?

If you have paid for repairs for the recall condition, please complete the enclosed form and present it to your dealer with all required documents. Working with your dealer will expedite your request, however, if this is not convenient, you may mail the completed form and all required documents to Reimbursement Department, PO Box 33170, Detroit, MI 48232-5170. The completed reimbursement form and required documents must be presented to your dealer or received by the Reimbursement Department by December 31, 2015, unless state law specifies a longer reimbursement period. Even though you may have already had this condition corrected, you will still need to take your vehicle to your dealer for additional repairs.

Do you have questions?

If you have questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.

Division	Number	Text Telephones (TTY)
Chevrolet	1-800-222-1020	1-800-833-2438
Guam	65-6267-1752	
Puerto Rico – English	1-800-496-9992	
Puerto Rico – Español	1-800-496-9993	
Virgin Islands	1-800-496-9994	

If after contacting your dealer and the Customer Assistance Center, you are still not satisfied we have done our best to remedy this condition without charge and within a reasonable time, you may wish to write the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1.888.327.4236 (TTY 1.800.424.9153), or go to <http://www.safercar.gov>. The National Highway Traffic Safety Administration Campaign ID Number for this recall is 13V360.

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.
